Dear John, Note H 2/2/80

Thanks for your 2/0 and the Novel PSH, etc. I didn't know one had been done, or the occasion for it. Or what was done with it on 11/5/79.

I don't think there is anything to the Umbrella man bit and I'm not a bit persuaded that it was Novel, warn't Witt or that it means anything at all.

While the reactions are interesting, I recall that the FBI proved Hunes to be an honest man. And that Hug McDonald was for real.

Look forward to hearing when you've gotten Archives records and have heard from Marshall.

Sincerely,
